FOCUS ON ITALIAN EXHIBITION GROUP SPA

Italian Exhibition Group (IEG), listed on the Milan Stock Exchange organized and managed by Borsa Italiana S.p.A. (Italy's stock exchange), is the Italian leader in the organization of trade expos and one of the main players in Europe in the expo and conference sector, with its venues in Rimini and Vicenza. The IEG Group stands out for the organization of events in five categories: Food & Beverage; Jewellery & Fashion; Tourism, Hospitality & Lifestyle; Wellness, Sports and Leisure; Green & Technology. In recent years, IEG has launched an important process of foreign expansion, also by means of joint ventures inked with local players (e.g. in the United States, Arab Emirates and China). IEG ended the 2018 financial year with a total consolidated turnover of 159.7 million euros, an EBITDA of 30.8 million and a net consolidated profit of 10.8 million euros. In 2018, IEG held an overall total of 53 exhibitions organized or hosted and 181 conferences events in its Rimini and Vicenza expo and conference venues. www.iegexpo.it

This press release contains forecasted elements and estimations that reflect current management opinions ("forward-looking statements") especially regarding future managerial performances, investments, cash flow trends and financial organization evolution. By nature, forward-looking statements have an element of risk and uncertainty since they depend on future events. The effective results may therefore differ, even significantly, to those announced due to multiple factors including, merely by way of example: the catering market's foreign trends and tourist flows in Italy, market trends in the gold-jewellery industry and in the green economy; developments in the price of raw materials; general macro-economic conditions; geo-political factors and changes in the legislative framework. Furthermore, the information in this press release does not claim to be complete, nor has it been verified by independent third parties. The forecasts, estimations and objectives presented herein are based on information available to the Company at the press release issue date.
